2024/2025 DAY PARAMEDIC EDUCATION PROGRAM
APPLICATION AND REGISTRATION PROCESS

Qualifications

- 18 years of age
- Current Illinois EMT license
- Current Healthcare Provider (BLS) CPR card

If you recently took the State EMT exam or NREMT exam, you may submit your Pass Result Letter from the testing agency in lieu of the Illinois EMT license; however, you MUST submit your actual Illinois EMT license to us by August 31st, 2024.

Classes

- Class runs **Tuesday, August 13th, 2022 through July 17th, 2025**. You will have until **December 2025** to complete your Field Capstone time.
- **From August to May**, class is held on **Tuesdays and Thursdays from 9 am to 5 pm**. You may need to come in early or stay after to complete assignments throughout the year.
- Once a month, the class is broken into smaller groups split over 3 weekdays instead of a regular scheduled class day. These dates will be provided by the first day of class for the rest of the year.
- An approximate 4-hour online component will be required to be completed each week outside of class, in addition to the time needed for studying/reading materials (on average, 10 hours per week total).
- There will be a minimum of 500 hours spent between the clinical and field settings required outside of class time which you will be required to schedule.
- While class is in session, be prepared to complete a minimum of 10 hours of clinical time in the hospital per week once you are released to begin clinicals.
- **During June and July**, there will be 3 sessions of Internship and Certification classes. You will be required to attend 1 of 3 Internship days per session. You will also be required to attend 2 days per session to complete ACLS, PHTLS, and PALS certifications. You will also be continuing with intensive field clinical hours.
- Classes will be held at the EMS Office, 4120 Charles St, Rockford, IL, 61108

Tuition - \$3000 if paid in full by 3rd day of class

- \$3250 total tuition if opting for a signed payment plan agreement
- Upon acceptance, non-refundable course fees of \$800 due August 13th, 2024, for all students.
 - Includes:
 - 2 Polo shirts
 - 1 Windshirt
 - Skills tracker/Scheduling program (FISDAP)
 - Classroom textbooks (including an eBook of the textbook)
 - Background Check

Students are required to provide their own stethoscope!

Additional Information

- **Mandatory Orientation, Interview, and Information Sessions** will be held at 0900 on Tuesday, July 9th, Wednesday, July 10th, Thursday, July 11th, or Wednesday, July 17th, 2024. You are required to attend one of these sessions. Please contact the EMS Office at 779-696-6082 to schedule your orientation session. **You MUST register for an Orientation Session!**

During these sessions, we will talk to you about the requirements and demands of the program, you will take the Nelson Denny Reading Test, be able to ask questions about the class, and obtain help with filling out the application. You will also have an interview with several Instructors as part of the Application process.

- Upon acceptance, students must provide proof of immunizations within the first 3 weeks of class. Please contact your Physician or School District for records of these immunizations.
 - **TB Skin Test** – Students must have an initial two-step Mantoux, blood draw, or chest x-ray. A Tine test is not acceptable for healthcare workers.
 - **Mumps, measles, and rubella x2** -- or positive titers
 - **Tdap** – diphtheria, tetanus, and pertussis
 - **Varicella** – chicken pox
 - **Influenza** – Must get before the Flu Season begins
 - **COVID** – Students are currently required to be fully vaccinated for COVID or sign and approved declination form. Students who sign a declination must wear a mask according to UW Health-Northern Illinois current policy.
 - **Hepatitis B** – the vaccination series is strongly recommended but not required. If you choose not to have this, you must sign a waiver.
- Technology will be a focus of the curriculum. Students **MUST** have access to a computer/laptop, printer, and internet.
- This class expects the students to have computer skills and communication skills.
- The textbook is written for an individual who has achieved reading and reading comprehension skills at the 10th grade level. The Nelson Denny Reading Test will be utilized to determine these skills and will be administered to each potential student on their orientation day.
- There may be barriers for licensure for students who are behind on child support and/or have a past felony conviction. A background check will be completed at the beginning of class.

Paramedic Program Goal – *To prepare Paramedics who are competent in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains to enter the profession.*
